

# Residential Septic System Repair & Replacement Plan

# Pro-sept™

## Help **Eliminate** Your Concerns!

Most homeowner's insurance policies do not provide coverage for the repair or replacement of a residential septic system. A replacement septic system can cost tens of thousands of dollars! That is where the Pro-Sept Septic System Protection Plan comes in! The residential septic system program covers repair and replacement costs in the event of a covered septic system malfunction.

### Program Summary

#### Term

- ✦ **For Brand New Systems**, provide a copy of the system installation paperwork and we will provide coverage for years 2-3 from the date of installation. (The installer is typically responsible for the first year.)
- ✦ **For Existing Systems**, we will provide a one year term. Systems **30 years old or less** are eligible.

#### Enrollment Process

- ✦ **For Brand New Systems**, provide a copy of the installation paperwork and proof of the township's approval for operation.
- ✦ **For Existing Systems**, system must be pumped and full system inspection performed by an approved inspector no more than 90 days prior to applying.
- ✦ Homeowner submits a simple one page application along with the required paperwork and term payment.
- ✦ Effective date of protection plan is the 1st, 15th or last day of the month; protection is never back-dated.

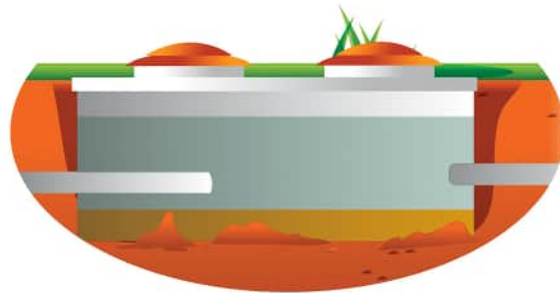

#### Major Exclusions

- ✦ Negligence, routine maintenance, abuse, liability to a 3rd party, damage to physical structure of residence, cesspools, seepage pits. Systems over 30 years old are not eligible.
